Product highlights

Colour-coded connectors

Colour-coded connections make it easy to install your cable into the correct inputs and outputs

Moulded plug

Moulded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket

Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Bare copper shielding

Bare copper shielding protects against signal loss.

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.
